

ABOUT ZIPPMAT

ZippMat is one of the fastest growing integrated companies focussed on simplifying procurement of diverse range of products for industrial and construction components. Our product offerings ranges from standard commodities like TMT, Cement, Bitumen, Lubricants, Industrial oils, RMC, AAC blocks to complex products like Industrial consumables, MRO, Safety gears and PPE equipment, tools and tackles, wires and cables, material handling and storage solutions. With our offerings, we serve our customers across industries like Construction, Engineering, Metal Fabrication and Machining, Casting and Forging, Injection Moulding, Aerospace and Defence, Automotive and EV, Consumer Electronics and others.

ZippMat's global supply chain network ensures the products and services are delivered to our end customer at a competitive price with world class quality parameters and time bound manner and is managed and traced by our inhouse tech solutions. Our tech solutions help us drive transparency and visibility for the customers and ensures we eliminate any uncertainty and lack of reliability in the system.

MARKETPLACE + FULFILLMENT

ZippMat through its tech enabled B2B marketplace platform helps customers solve their most significant problem statement like – project execution delays, increased project cost and working capital constraints by offerings like.

1. Real time order flow status
2. 100% order compliance with reduced TAT
3. Access to better working capital

With a very healthy financial strength and a strong operational footprint, ZippMat has delivered 1500+ deliveries from 200+ suppliers to 150+ customers across 18 states within the first year of inception and today is one of South India's fastest growing supply marketplace.

Founded by IIM, and top US university alumnus in 2021, ZippMat's core team has a combined experience of 100+ years in relevant industries. We have recently raised \$10 Million in equity & debt round led by Matrix Partners India, Zephyr Peacock India, HDFC and others.

Join Our Team and Shape the Future of Bharat's supply-chain
